Summary

[Pay](#)

The median annual wage for medical and health services managers was \$117,960 in May 2024.

[Job Outlook](#)

Employment of medical and health services managers is projected to grow 29 percent from 2023 to 2033, much faster than the average for all occupations.

About 61,400 openings for medical and health services managers are projected each year, on average, over the decade. Many of those openings are expected to result from the need to replace workers who transfer to different occupations or exit the labor force, such as to retire.
